AIR MAIL CORRESPONDENCE FOR H.M. SHIPS.

Air Mail correspondence for H.M. ships at Malta or West African Ports, and in American waters addressed "c/o G.P.O. London" is accepted for transmission by any available Air Mail service offering acceleration at a flat rate of air postage of 6*d.* per $\frac{1}{2}$ oz. (postcards 3*d.*). Air Mail correspondence for H.M. ships abroad if addressed definitely to a port must be prepaid at the air postage rate shown in the leaflet as applicable to the country in which the port is situated. In either case a blue Air Mail label must be affixed.

(For correspondence for H.M. Ships in the Eastern Mediterranean, Persian Gulf, Indian, Ceylon, Malayan, Chinese, Australian, New Zealand, East and South African waters, and at Hong Kong—see Post Office Guide.)

SUPPLEMENTARY FACILITIES.

Messages intended for delivery as Air Mail Letters may be telephoned to most Head Post Offices and the Central Telegraph Office in London in order to catch an outgoing Air Mail. They may also be handed in at a telegraph office for transmission by telegraph to London. The sender should write "Air Mail" before the address and "London" at the end of the address. Registered telegraphic addresses are not permissible in this service. The air postage from this country to the place of destination is payable in addition to the ordinary inland telegraph rate but the words "Air Mail" are not charged for.

AIR MAIL MONEY ORDERS.

Money Orders for payment in the following countries can be advised abroad by Air Mail instead of by ordinary mail upon payment by the remitter of a special fee, in addition to poundage at the ordinary rate for Imperial and Foreign Orders. The additional fees (which do not vary with the amount of the order) are as follows:—

PARCEL AIR MAILS.

11

1. **The General Regulations of the Imperial and Foreign Parcel Post apply, e.g.,** as regards maximum weight and dimensions, Customs Declarations and Despatch Notes, Supplemental services, Compensation, etc.—on which points see the Post Office Guide. Air parcels cannot, however, be insured except in the case of those for Holland and Switzerland.

2. **Accepting Offices.**—Air parcels may be posted at any Post Office which accepts parcels for places abroad. Air parcels **exceeding 15 lb. in weight** are accepted at the same Offices and under the same conditions as similar parcels for transmission by ordinary post.

3. **A special blue Air Mail label must be affixed** close to the address label of the parcel (close to each address if the parcel is addressed in more than one place) and to the relative Despatch Note and, in the case of Cash on Delivery parcels, to the Trade Charge card. The words "Air Mail" should also be written conspicuously on the cover of the parcel. The sender must also prepay, in the usual way, the appropriate rate of postage as shown below.

4. In addition to rapid transit by air service, an air parcel is usually given speedy Customs clearance abroad. **It is important, in order that these advantages may not be thrown away, that the relative Despatch Notes and Customs Declarations should be very carefully completed in accordance with the general regulations.**

Imperial Airways, Limited, undertakes the clearance of the parcels through the French Customs and their subsequent delivery at a charge to the addressee of 13f. 50 for each parcel addressed to a central district of Paris (arrondissements 1-20) and 15 francs for each parcel addressed to any of the suburbs mentioned in the next paragraph. This charge is exclusive of ordinary French Customs charges.

Delivery is undertaken in the following suburbs only :—

Asnières, Aubervilliers, Bagnolet, Boulogne, Boulogne-Billancourt, Charenton, Clichy, Courbevoie, Colombes, Issy, Ivry, Kremlin-Bicêtre, La Courneuve, La Plaine-St. Denis, Le Bourget, Le Lilas, Levallois-Perret, Malakoff, Montreuil, Montrouge, Neuilly, Pantin, Pré-St. Gervais, Puteaux, St. Denis, St. Mandé, St. Ouen, Vanves and Vincennes.
