Notices appearing for the first time or in an amended form are marked †

AIR MAILS.

Air Mail Correspondence for the Ivory Coast.—The air service to Dakar, Senegal, via France, offers considerable advantage for Air Mail correspondence for the Ivory Coast. The time of transmission to Abidjan by this route is 10 days, representing a gain of from 5 to 13 days, as compared with the time of transmission by surface transport. The air postage rates are:—letters, 11d. for the first ½ oz. and 9d. for each additional ½ oz.; postcards 5d.; printed papers etc., 4d. for each ½ oz.; and the latest time of posting in the blue Air Mail box at the Head Post Office, London, E.C.1, is 10.45 a.m. on Saturdays.

Extension of Air Mail Money Order Service to Gibraltar.—The Air Mail Money Order service has now been extended to Gibraltar. In addition to poundage at the ordinary rate for Imperial and Foreign Money Orders, a special Air Mail Money Order fee of 2d. is payable on each Order irrespective of the amount.

Canadian Internal Air Mail Service.—Air mail correspondence for Canada sent by certain C.P.R. steamers is now due to receive onward conveyance by air from Rimouski thereby gaining about a day to Montreal, Ottawa, Toronto and Winnipeg, and up to two days to British Columbia and beyond.

The air postage rate is 2½d. for the first half ounce and 1½d. for each additional half ounce; postcards 2d. The next outlet for such correspondence is by the "Empress of Britain" sailing from Southampton to-morrow.

The latest time of posting in the Air Mail box at the Head Post Office, King Edward Street, E.C.1, is 2.0 a.m. to-morrow, and about an hour earlier at the other special Air Mail posting boxes in the London Head Districts.

Air Mail Service to Malta.—The latest time of posting Air Mail correspondence for Malta in the Air Mail box at the Head Post Office, London, E.C.1, is now 6. 0 a.m. on Mondays, Wednesdays and Fridays, and correspondingly earlier at the other special Air Mail posting boxes in the London Head Districts.

GENERAL INFORMATION.

Postal Packets (including Parcels) for Latvia may be treated as undeliverable unless they are addressed as regards place names by the designations officially recognised in Latvia. Thus the designation Liepaja should be used and not Libau.

Parcels for Nigeria.—The Post Office of Nigeria announces that parcels for that Colony which contain Cotton or Rayon Textiles exceeding £1 in value must be accompanied by certified invoices giving a full description of the contents and their value and indicating the country of origin.
