†Times of posting changed since previous issue.  
 \*Air transmission to Karachi or Dacca only.  
 §Air mail correspondence is sent by air to South Africa, but the surface outlets both from South Africa and from the United Kingdom are irregular and the air mail route is therefore occasionally slower than the surface route. The Post Office cannot advise on the choice of route.  
 †Services to the areas under the control of the Viet-Minh Administration temporarily suspended.

## AIR MAIL SERVICES—GENERAL INFORMATION

**GENERAL CONDITIONS:** The normal regulations governing the make-up and acceptance of various categories of postal packets and parcels apply with equal force to items sent by air. Regulations are set out in detail in the Post Office Guide which may be consulted at any post office.

**Air mail label:** A blue air mail label, obtainable free of charge at any post office, must be affixed to each air mail item (except letters, letter packets and postcards for Europe) at the top left-hand corner on the address side; alternatively the indication "By Air Mail" may be written boldly in the same position, but the absence of an air mail label may lead to delay.

**Air Letters:** Air Letters, postage 6d., written on special Air Letter forms, may be sent to all countries. Enclosures are not permitted. The special forms may be obtained at post offices. Privately manufactured forms may be used only if they bear an indication that they have been approved by the Postmaster General. Forms which do not bear such an indication will be treated as ordinary air mail letters.

**Second Class Mail:** Printed Papers, Commercial Papers, Samples, Small Packets (to those countries which admit them) may be sent by air to countries outside Europe at the rates shown in col. 4 on pages 2-4; special rates apply to Newspapers and Literature for the Blind—see below. There is a minimum charge of 7½d. for Small Packets to those countries which admit them. Second class mail items must be clearly superscribed in the upper left-hand corner of the cover, below the air mail label, for the particular service intended.

**Newspapers:** Publications registered as newspapers at the G.P.O.—and these items only—may be sent at the special rates of postage for newspapers shown on pages 2-4. Such items must be clearly superscribed "Newspapers" below the air mail label.

**Literature for the Blind:** This may be sent by air mail to countries outside Europe at the special standard postage rate of 3d. for each 2 oz.

**NOTE:** There is no Second Class air mail service to European countries. When it is desired that items be despatched by air (where this will offer quicker delivery), they should be prepaid at the appropriate full letter rate of postage shown on page 5. Items of Literature for the Blind for which no postage has been prepaid are eligible for air conveyance (where this offers earlier delivery) provided that they do not exceed 2 lb. in weight. The air mail label is not used in the service to Europe.

**Insured Letters and Boxes:** Insured letters and boxes may be sent by air mail to those countries outside Europe against

which an indication appears in col. 6 on pages 2-4. Insurance fees are payable in col. 6 on pages 2-4. The rate in the case of insured letters, and in the case of insured boxes are subject to the minimum charge of 1s. 0d. in Europe which admit them where the rate of insurance fee is less than 1s. 0d.

**Air Parcels:** Air Parcels may be sent to all countries at the rates indicated in col. 5, pages 2-4 (countries outside Europe) and on page 5 (Europe). Where no postal service is provided by air services as for surface parcels are available, parcels can be accepted for insurance against which an indication appears in col. 1 on page 5. A blue air mail label must be affixed to the address (or to each address if the parcel is to be sent to more than one place), to the relative despatch card, and to the trade charge card for C.O.D. parcels. The acceleration afforded by air conveyance is shown in cols. 7 and 8 on pages 2-4 is not applicable to parcels but col. 8 gives some guidance to the likely times of delivery.

**Posting Times:** The times of posting shown on pages 2-4 are those applicable to unregistered correspondence sent to the London Chief Office, King Edward St., E.C.1. Times of posting elsewhere, which in general are earlier than those shown, can be ascertained by inquiry at the appropriate Branch post office.

**Times of Transmission:** A guide to the times of transmission of letter mails sent by air to the principal countries outside Europe is given in col. 8 on pages 2-4. The times shown do not allow for intervals between despatch and delivery in the country of destination. No guarantee is given that the times shown will invariably be attained.

**Services to H.M. Forces:** Special air mail services, of which are given in a leaflet (PL89) obtainable at all post offices, apply to correspondence for members of the Forces overseas (but not Merchant Navy personnel).
