### Alterations in latest times of posting etc. for Air Mails for Central Europe and the Balkans.

In consequence of a further change in the timetable of the French air mail services from Paris, the latest time for posting air mail correspondence from this country for Austria, Czecho-Slovakia, Jugo-Slavia, Hungary, Poland and Roumania, which has recently been 11 a.m. (except Saturdays) has now been restored to 2.30 p.m. (except Saturdays) at the General Post Office, London, and correspondingly earlier elsewhere.

Air mail facilities from this country to Bulgaria are no longer available, and the only air mail service to Greece is now by the weekly Indian Air Mail, for which the latest time of posting at the General Post Office, London, is 6 a.m. on Saturdays.

### Air Parcel Mails.

Special attention is drawn to the fact that Air parcel services in addition to affording a rapid transit provide for speedy clearance of the parcels through the Customs in the country of destination.

### GENERAL INFORMATION.

#### Mid-Week Mails for U.S.A. etc. by S.S. "Olympic."

Attention is drawn to the fact that the mid-week mail for U.S.A. etc., normally despatched on Wednesdays will next week be despatched one day earlier, i.e. on Tuesday the 16th instant.

The usual times of posting will apply, i.e. 2.0 a.m. on Tuesday the 16th instant at the G.P.O. King Edward St., E.C.1. for letters and 5.30 p.m. on the 15th instant for printed papers etc. There will be the usual late fee posting facilities at Waterloo Station on the 16th instant.

#### Letters for the Panama Canal Zone.

A large proportion of the letters for the Panama Canal Zone is being prepaid 1½d. only, whereas the proper rate of postage is 2½d. for the first ounce and 1½d. per ounce thereafter. Insufficiently prepaid correspondence is surcharged double the deficient postage on delivery and is liable to be delayed.

#### Letters, etc., for Lourenço Marques, Portuguese East Africa.

As announced in the Post Office Daily List in October 1927 and in March 1928, letters and other postal packets intended for Lourenço Marques but incorrectly addressed "Delagoa Bay" are not delivered but are returned to the senders by the Post Office at Lourenço Marques. Attention is therefore again drawn to the need for using the correct designation "Lourenço Marques".
